Authorizing or Cancelling a Representative

Why do you need to complete this form?

As an individual, trust or T5 filer, your account information is confidential. You need to complete this form if you want the Canada Revenue Agency (CRA) to deal with another person (such as your spouse or common-law partner, other family member, friend, or accountant) who would act as your representative for income tax matters.

The CRA will process completed forms only; incomplete forms will not be processed.

You or your legal representative (read "What is a legal representative?" on this page) must complete and sign this form.

Can you use this form for your business accounts?

No. For business number accounts, use Form RC59, Business Consent.

What is a legal representative?

A legal representative is an executor or administrator of the taxpayer's estate, someone with a power of attorney, guardian, or trustee or custodian for trust accounts. That person does not need to complete this form to be updated as a legal representative on your account, but he or she must send a complete copy of the legal document giving him or her the authority to act in that capacity to the appropriate tax centre.

Authorizing a representative

When you authorize a representative, you are letting that person represent you for income tax matters at the level of authorization you specify, for the tax year or years you indicate. Income tax matters include issues related to information on your tax return.

For security reasons, if your representative contacts or visits us, we will ask him or her for identification. After we confirm your representative's identity and that he or she is listed as your representative on your account, we will ask for specific information relating to:

- your notice of assessment or notice of reassessment;
- your tax return; or
- other tax documents.

You can authorize more than one representative. However, you must complete a separate Form T1013 for each account and representative.

You can also authorize or cancel a representative by providing the requested information online through "Authorize my representative" at www.cra.gc.ca/myaccount.

You can change information about an existing representative through My Account or by completing a new Form T1013. For example, if your existing representative does not have online access and you would like to give the CRA your authorization to deal

You do not have to complete a new form every year if there are no changes.

Part 1 – Taxpayer information

Enter your account number and your name. If you are an individual, enter either your social insurance number (SIN), temporary tax number (TTN), or individual tax number (ITN). Otherwise, enter your trust account number or T5 filer identification number.

Part 2 – Representative information and authorization

Section A – Authorize online access (including access by telephone, in person, and in writing)

By completing Section A, you are authorizing your representative to deal with the CRA through our online services and by telephone, in person, and in writing. Your representative will have access to all tax years online.

For trust accounts, your representative will have access to all tax years available to them but with no online access.

You have to provide the **RepID** and the name of your representative if he or she is an individual, the GroupID and the name of the group if your representative is a group of individuals, or the business number (BN) and the name of the business if vour representative is a business.

If you give authorization for online access and you have a "care of" address on your account, a letter will be sent to you to confirm the authorization. Online access will not be granted until you or your legal representative calls the CRA to confirm the authorization for online access.

Section B - Authorize access by telephone, in person, and in writing (no online access)

By completing Section B, you are authorizing your representative to deal with the CRA only by telephone, in person, and in writing.

You have to provide the name of your representative if it is an individual, the business name if your representative is a business or the name of your representative **and** the business name if you want the CRA to deal with a specific individual from that business.

Levels of authorization

There are two levels of authorization you can give to your representative. By specifying the level of authorization, you control the type of access or information we give to your representative.

If you do not specify a level of authorization, we will assign a level 1.

Level 1 - Disclose

We may disclose information to your representative such as:

- information given on your T1 General Income Tax and Benefit Return or your T3 Trust Income Tax and Information Return;
- adjustments to your T1 General Income Tax and Benefit Return or your T3 Trust Income Tax and Information Return;
- information about your registered retirement savings plan, Home Buyers' Plan, tax-free savings account and Lifelong Learning Plan;
- your accounting information, including balances, payment on filing, and instalments or transfers;
- information about your benefits and credits (Canada child tax benefit, universal child care benefits, goods and services tax/harmonized sales tax credit, and working income tax benefit);
 and
- your marital status (but not information related to your spouse or common-law partner).

Level 2 - Disclose/Request changes

We may disclose the information listed in level 1 to your representative and, with level 2, he or she may ask for changes to your return(s) and your account. Such changes include adjustments to income, deductions, non-refundable tax credits, and accounting transfers. Your representative can request remittance vouchers for you.

Your representative will be able to submit a request for taxpayer relief or file a notice of objection or an appeal on your behalf.

Your representative will not be allowed to change your address, your marital status, your direct deposit information, or a pre-authorized debit agreement.

Part 3 – Authorization expiry date

Enter an expiry date for the authorization given in Section A or B of Part 2 if you want the authorization to end at a particular time. Your authorization will stay in effect until you or your representative cancels it, it reaches the expiry date you choose, or we are notified of your death.

Part 4 – Cancel one or more existing authorizations

You can immediately cancel an existing authorization either at www.cra.gc.ca/myaccount or by calling us at 1-800-959-8281. You can also cancel an existing authorization by completing parts 1, 4, and 5 of this form. An authorization will stay in effect until you cancel it, it reaches the expiry date you choose, or we are notified of your death. Your representative can also immediately delete their own authorization online at www.cra.gc.ca/representatives, or make a request by telephone, in person, or in writing.

Part 5 - Signature and date

To protect the confidentiality of your tax information, we will not accept or act on any information given on this form unless you or a legal representative has signed and dated this form.

If you are signing this form as the **taxpayer**, you must **sign** and **date** this form.

If you are signing this form as the **legal representative** (executor or administrator of the taxpayer's estate, power of attorney, guardian or trustee or custodian for a trust) you must **tick** the legal representative box, **sign** and **date** this form. If not already done, send a **complete** copy of the **legal document** giving you the authority to act in this capacity to the taxpayer's tax centre.

If **two or more** legal representatives are acting jointly on the taxpayer's behalf, the signature of **each** legal representative must sign Part 5 of this form.

This form must be received by the CRA within six months of its signature date. If not, it will not be processed.
